Brief Description of Arguments to be Presented:

Applicants' representatives will argue that independent claim 1 (as a representative claim) is not unpatentable over US Pub. No. 2003/0224797 to Kuan, as this reference does not include "receiving a nodes reports ... [including] parameters of other nodes ... measured by a reporting node".

An interview was conducted on the above-identified application on _____

NOTE:

This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP §713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
